

# SOUMYAJIT BERA

STUDENT OF BE-CSE

---

## CONTACT

---

- +91 8910884879
- soumya.bera003@gmail.com
- Kolkata, West Bengal
- www.linkedin.com/in/berasoumyajit

## EDUCATION

---

- 2022 - 2026**  
**CHITKARA UNIVERSITY**
  - Bachelor of Computer Science
  - CGPA - 9.33

- 2019 - 2020**  
**ULUBERIA HIGH SCHOOL**

- Higher Secondary Class 12
- 81% in HS

- 2019**  
**GATV**
  - Secondary Class 10
  - 83%

## SKILLS

---

- C++
- HTML,CSS,JS
- Node JS
- My SQL
- JAVA Programming

## LANGUAGES

---

- English
- Hindi
- Bengali

## OBJECTIVE

---

To use my computer science and engineering skills to work on exciting technology projects. I want to keep learning and growing in a job where I can help create new solutions and work with a team to make a real difference in the tech industry.

## EXPERIENCE

---

- |                                                                |             |
|----------------------------------------------------------------|-------------|
| CodSoft 4 weeks Internship Program on C++ programming          | 01-Sep-2023 |
| Participated in 2 days Yamaha Explore AI 2.0 Hackathon         | 28-Apr-2023 |
| Participated in CEED-Innovest 2.0, an entrepreneurship contest | 14-Feb-2023 |

## PROJECTS

---

- **Smart Car Parking System (IOT):**  
Developed IoT-based Smart Car Parking System project involving IR sensors to detect empty slots and display real-time availability on an LCD screen. Implemented to enhance parking management efficiency and user experience.
- **E-COMMERCE Website:**  
Designed and developed an e-commerce website, implementing responsive design for seamless user experience across devices.
- **Food ordering Website:**  
Build a food ordering website by which customers can order food. To build this project I uses react ,node js, mongodb.

## EXTRA-CURRICULAR ACTIVITIES

---

Participated on various open round coding competitions in various websites.

Participated in various Esports tournaments
